# HOW TO SELECT, WEAR, AND CLEAN YOUR MASK

## **DO** choose masks that:

## **DO NOT** choose masks that:

## **Gaiters & Face Shields**

## **Special Situations: Children**

If you are able, find a mask that is made for children

If you can't find a mask made for children, check to be sure the mask fits snugly over the nose and mouth and under the chin

## **Special Situations: Glasses**

If you wear glasses, find a mask that fits closely over your nose or one that has a nose wire to limit fogging

## DO wear a mask that:

- Covers your nose and mouth and secure it under your chin
- Fits snugly against the sides of your face

For more information, visit our [How to Wear Masks](#) web page.

## How NOT to wear a mask:

✗ Around your neck

✗ On your forehead

✗ Under your nose

✗ Only on your nose

✗ On your chin

✗ Dangling from one ear

## How to take off a mask:

1 Carefully, untie the strings behind your head or stretch the ear loops

2 Handle only by the ear loops or ties

3 Fold outside corners together

4 Be careful not to touch your eyes, nose, and mouth when removing and wash hands immediately after removing
